20 The initial case management conference for this case took place on February 27, 2008.

21 A further case management conference is scheduled for July 23, 2008. When that date was set,
22 it was anticipated that defendant United States of America's motion to dismiss and/or for
23 summary judgment would have been heard prior to that date. However, due to difficulties in
24 scheduling depositions, it is now anticipated that the USA's motion will be filed in mid to late
25 June and heard in late July or early August. Accordingly, so that the motion can be heard
26 before the further case management conference, the parties to this action, through their
27 attorneys of record, hereby STIPULATE AND REQUEST that the further case management
28 conference be continued from July 23, 2008 to September 3, 2008 at 2:30 p.m.
